

AMENDED IN SENATE MARCH 26, 2004

SENATE BILL

No. 1725

Introduced by Senator Knight

February 20, 2004

An act to amend Sections 415, 462, 467, 545, 2418.5, 5007, 9410, 22507.5, 22511.5, 22511.55, 22511.57, 22511.59, 22511.8, 22652, 22658.2, and 25276 of, and to add Section 5007.5 to, the Vehicle Code, relating to vehicles.

LEGISLATIVE COUNSEL'S DIGEST

SB 1725, as amended, Knight. Vehicles: disabled person: disabled veterans: parking privileges.

Existing law authorizes certain parking privileges for disabled persons and disabled veterans, as defined, and authorizes the Department of Motor Vehicles to issue special license plates and distinguishing placards for those purposes.

This bill would require the department, upon a request to the department by a local public law enforcement agency or local agency responsible for the administration or enforcement of parking regulations, to make available to the requesting agency any information contained in a physician's certificate submitted to the department as part of an application for a special license plate for disabled person's parking privileges. The bill would authorize local authorities to establish a review board or panel for purposes of reviewing information contained in the applications for special parking privileges and the certification of qualifying disabilities for persons residing within the jurisdiction of the local authority. Any findings or determinations by the review board or panel indicating that an application or certification is fraudulent or lacks

proper certification would be transmitted to the department or other appropriate authorities for further review and investigation.

The bill would specify that a local authority may prohibit or restrict the parking or standing of a vehicle on streets under its jurisdiction when the vehicle displays a distinguishing placard for disabled parking privileges and the record of the department for the placard indicates that the placard has been reported as surrendered, cancelled, revoked, or expired.

The bill would prohibit the department from charging a fee for issuing a temporary distinguishing placard to a permanently disabled person or disabled veteran for purposes of travel by state residents or in-state travel by out-of-state residents.

The bill would make technical, nonsubstantive changes in existing law relating to parking privileges for disabled persons and disabled veterans.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.

13 exempting from the prohibition or restriction of the ordinance or
14 resolution disabled persons, residents, and guests of residents of
15 residential areas, including, but not limited to, high-density and
16 multiple-family dwelling areas, lacking adequate offstreet parking
17 facilities. The ordinance or resolution relating to the parking or
18 standing of commercial vehicles in a residential district, however,
19 shall not be effective with respect to any commercial vehicle

21 from or to any building or structure located on the restricted streets
22 or highways or for the purpose of delivering materials to be used
23 in the actual and bona fide repair, alteration, remodeling, or
24 construction of any building or structure upon the restricted streets
25 or highways for which a building permit has previously been
26 obtained.

27 (b) Subdivision (a) of this section is applicable to vehicles
28 specified in subdivision (a) of Section 31303, except that an

35 effective unless the legislative body of the local authority holds a
36 public hearing on the proposed ordinance prior to its adoption,
37 with notice of the public hearing given in accordance with Section
38 65090 of the Government Code.

39 SEC. 11. Section 22511.5 of the Vehicle Code is amended to
40 read:

1 22511.5. (a) (1) A disabled person or disabled veteran
2 displaying special license plates issued under Section 5007 or a

4 is allowed to park for unlimited periods in any of the following
5 zones:

6 (A) In any restricted zone described in paragraph (5) of
7 subdivision (a) of Section 21458 or on streets upon which
8 preferential parking privileges and height limits have been given
9 pursuant to Section 22507.

13 (2) A disabled person or disabled veteran is allowed to park in

19 special types of vehicles, or to the parking of a vehicle that is
20 involved in the operation of a street vending business.

21 (b) A disabled person or disabled veteran is allowed to park a
22 vehicle displaying a special disabled person license plate or
23 placard issued by a foreign jurisdiction with the same parking

27 SEC. 12. Section 22511.55 of the Vehicle Code is amended to
28 read:

29 22511.55. (a) (1) A disabled person or disabled veteran may
30 apply to the department for the issuance of a distinguishing
31 placard. The placard may be used in lieu of the special license plate
32 or plates issued under Section 5007 for parking purposes described
33 in Section 22511.5 when suspended from the rear view mirror or,
34 if there is no rear view mirror, when displayed on the dashboard
35 of a vehicle. It is the intent of the Legislature to encourage the use
36 of these distinguishing placards because they provide law
37 enforcement officers with a more readily recognizable symbol for
38 distinguishing vehicles qualified for the parking privilege. The
39 placard shall be the size, shape, and color determined by the
40 department and shall bear the International Symbol of Access

1 adopted pursuant to Section 3 of Public Law 100-641, commonly
2 known as the “wheelchair symbol.” The department shall

7 issuance and renewal of the placards. The placards shall have a
8 fixed expiration date of June 30 every two years. A portion of the
9 placard shall be printed in a contrasting color that shall be changed
10 every two years. The size and color of this contrasting portion of
11 the placard shall be large and distinctive enough to be readily
12 identifiable by a law enforcement officer in a passing vehicle.

13 (B) As used in this section, “year” means the period between
14 the inclusive dates of July 1 through June 30.

15 (C) Prior to the end of each year, the department shall, for the
16 most current three years available, compare its record of disability
17 placards issued against the records of the Bureau of Vital Statistics
18 of the State Department of Health Services, or its successor, and
19 withhold any renewal notices that otherwise would have been sent,
20 for any placardholders identified as deceased.

21 (3) Except as provided in paragraph (4), no person is eligible
22 for more than one placard at any time.

23 (4) Organizations and agencies involved in the transportation
24 of disabled persons or disabled veterans may apply for a placard
25 for each vehicle used for the purpose of transporting disabled
26 persons or disabled veterans.

27 (b) (1) Prior to issuing an original distinguishing placard to a
28 disabled person or disabled veteran, the department shall require
29 the submission of a certificate, in accordance with paragraph (2),
30 signed by the physician or surgeon substantiating the disability,
31 unless the applicant’s disability is readily observable and
32 uncontested. The disability of any person who has lost, or has lost
33 use of, one or more lower extremities or one hand, for a disabled
34 veteran, or both hands, for a disabled person, or who has
35 significant limitation in the use of lower extremities, may also be
36 certified by a licensed chiropractor. The blindness of any applicant
37 shall be certified by a licensed physician or surgeon who
38 specializes in diseases of the eye or a licensed optometrist. The
39 physician, surgeon, chiropractor, or optometrist certifying the

qualifying disability shall provide a full description of the illness or disability on the form submitted to the department.

(2) The physician, surgeon, chiropractor, or optometrist who signs a certificate submitted under this subdivision shall retain information sufficient to substantiate that certificate and, upon request of the department, shall make that information available for inspection by the Medical Board of California or the appropriate regulatory board.

(3) The department shall maintain in its records all information on an applicant's certification of permanent disability and shall make that information available to eligible law enforcement or parking control agencies upon a request pursuant to Section 22511.58.

(c) A person who is issued a distinguishing placard pursuant to subdivision (a) may apply to the department for a substitute placard without recertification of eligibility, if that placard is lost or stolen.

(d) The distinguishing placard shall be returned to the department not later than 60 days after the death of the disabled person or disabled veteran to whom the placard was issued.

(e) The department shall print on any distinguishing placard issued on or after January 1, 2005, the maximum penalty that may be imposed for a violation of Section 4461. For the purposes of this subdivision, the "maximum penalty" is the amount derived from adding all of the following:

(1) The maximum fine that may be imposed under Section 4461.

(2) The penalty required to be imposed under Section 70372 of the Government Code.

2 prohibit or restrict the parking or standing of a vehicle on streets
3 or highways or from a disabled person's parking stall or space of
4 a privately or publicly owned or operated offstreet parking facility
5 within their jurisdiction when the vehicle displays, in order to
6 obtain special parking privileges, a distinguishing placard issued
7 pursuant to Section 22511.55, and the record of the Department of
8 Motor Vehicles for the identification number assigned to the
9 placard indicates that the placard has been reported as lost, stolen,
